Sung Hoon! Sung Hoon! What's that?
I sense the element of lightning from this pillar!
It's a utility pole, it brings electricity to houses.
슈긋 슈긋
웅성 웅성
What is this? Is it a curse that weakens the earth element?
Curse my ass.
It's called asphalt. It makes it easier for people and cars to move across it.
How surprising!
I couldn't have imagined that humans lived while ignoring providence!
Bringing her along,
was a mistake.

Can't you act more human in the streets.
Uu~ Didn't I already hide my tail and ears?
You already attract too much attention
Why?
I guess I'll be truthful.
Because you're cute.
She attracts too much attention!
I'm so happy! You finally fell for my charm!
Did you just declare that I'm cute?
Should we kill him?
He seems like a lolicon.
What's with this guy...
Lucky bastard.

pant

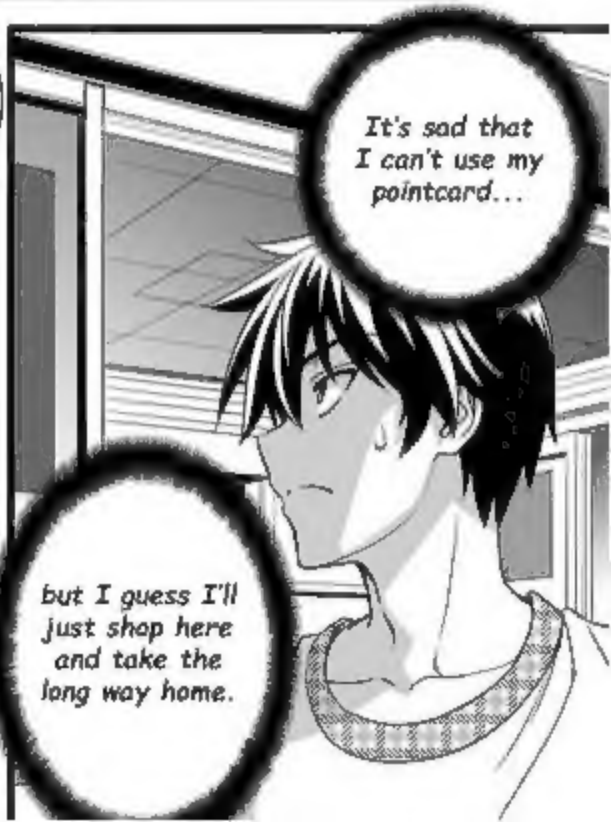
THIS IS DANGEROUS -!
URYA!

That was fun!
I ran aimlessly and ended up in a mart I don't know...

Anyway,
If humans ignore providence, isn't that bad for you phantoms?
Aren't you guys technically part of nature?



It's sad that I can't use my pointcard...
but I guess I'll just shop here and take the long way home.

Not neces-sarily.
We are offsprings of chaos.
If providence is broken, and distortion is increased, it creates a better enviorment for us to live in.
If the others did not follow my example and hide them-selves, this land would have become our paradise.
I have to find the guy that can teach her love quickly...
or our glorious country will turn into a chaotic paradise.
She is the demon lord...
Why are there food all over the streets?
HEY! EARS! TAILS! DON'T EAT THINGS ON THE STREET!
Eh? I can't eat those?
It's dirty! You'll get a stomach ache!

TN: EXPLANATION OF SOUTH KOERA'S SHOPPING CART MECHANISM IN THE LAST PAGE

I'm not a little kid, I'm not going to ride it.
Yes, yes.
Sometimes parents shove their children in their to make it easier on themselves.
Do you want to ride?
N, no!

I'm pretty sure that's her human form...
but why does it look like a tiger that starved for 3 days?
I want to eat this!
Anyway, this!
Cows raised in our country, a.k.a. expensive meat.
I can't afford that.
Hanu? What is that?
한우 특가
원산지: 국산
Hey, hey. That's "hanu".
So the reason that the released bears are disappearing is your guys' fault?
Ah, now that I think about it, I did see bear bile and Sae Hee mentioned something about revenge...
Hm? Time to time Sae Hee captures one and...
Stop right there.
How about other meat?
So you don't care as long as its meat?
I like bear meat!
...aren't bears illegal to hunt?

Sung Hoon! What is this? It looks funny!
I have to shop first...
I'll stop thinking.
Sometimes, its better to not know anything.
지끔 지끔
You're treating me like a child.
Don't put your limbs outside the cart.
You're going to get hurt if you fall.
Hehe, that won't happen!
OH REALLY?

OFF
OFF

WEEEEE!
NEVER TRY THIS.
I'M TURN-ING RIGHT!
How long can you hold?
HA HA HA HA
We got yelled at by the ajumma.

I'M REALLY SORRY!

Hmph!
Just which part of me is scary?
The part where you look like you could kill someone with your glare.
Good job Rang Il! If I can change the subject...
Let me introduce you.
This kid is...

Ooh! Nice timing!
Ah, wait...
She wouldn't....

In South Korea, all the shopping carts have a lock and a key. The key on the shopping cart attaches to the shopping cart behind it. So this way, all the shopping carts are chained to each other. To unlock the shopping cart, you put in a 500w coin(about 50 cents) and then when you put the key back into the lock, the coin is returned to you. I believe this was to prevent people from stealing the shopping carts.
